

Producer of solar substructures - worldwide.

We are looking for you!

Controller (m/f/d)

We are a young and dynamically growing company. The ZIMMERMANN PV-Steel Group has been developing, planning and supplying solar mounting structures for projects worldwide since 2009. Our portfolio comprises fixed tilt mounting systems, single-axis tracker systems and floating systems. As a fourth technology, we develop and design systems for Agri-PV applications.

The company headquarters are located in Oberessendorf, directly on the B30 between Biberach and Ravensburg. For some years now, we maintain several sales offices and work closely together with distribution partners all over the world.

Your tasks:

- Involvement in corporate planning
- Forthnightly management report
- Preparation of quarterly reports
- Support with the annual accounts
- Taking over the dunning and claim process
- Project post-calculations
- Data maintenance to improve reporting
- Further development of the reporting system
- Active support of the accounting department
- And much more...

What we offer you:

- Performance-related pay
- Flexible working hours
- Company pension scheme
- Bonus payments, Leave and Christmas benefits
- Jobbike and charging stations for e-mobility
- Complimentary fruit, water and coffee
- And much more...

We offer optimal working conditions in our new office building. The working atmosphere and the team spirit are excellent.

What we expect from you:

- A degree in business administration with a focus on controlling/finance or a comparable qualification
- Ideally, first professional experience in controlling/finance
- A strong understanding of numbers
- A high degree of accuracy, logical thinking and a solution-oriented way of working
- In-depth knowledge of Microsoft Excel
- Ability to work independently and in a team
- High level of personal responsibility and implementation skills
- Business fluent in German and English
