- Supporting the commercial support of customers and business partners
- Joint project processing with our project managers
- Organisation of repeat orders
- Coordination of interfaces to other departments such as purchasing and logistics
- Master data maintenance
- And much more ...

What we expect from you:

- Completed vocational training as an industrial clerk, office management assistant or equivalent training
- Initial work experience in the commercial field
- Strong communication skills
- Business fluent in English
- Ability to work in a team
- High level of personal responsibility and the ability to implement plans
- Innovative and self-motivated attitude
- Analytical and structured way of working

What we offer you:

- Performance-related pay
- Flexible working hours
- Company pension scheme
- Bonus payments, Holiday and Christmas bonuses
- Jobbike
- Charging stations for e-mobility
- Free fruit, water and coffee
- And much more ...

We offer optimal working conditions in our new office building. The working atmosphere and the team spirit are excellent.

We look forward to hearing from you!
